

REIKI I & II IN JAPAN

We are offering a unique opportunity to take your Reiki I & II training in Dr Usui's homeland, Japan, in Spring 2020 from 19th – 25th April 2020.

The course will take place in Kyoto, the traditional heart of historic sights. We will be staying in a traditional ryokan or Japanese inn.

In Kyoto, there will be the opportunity for sight-seeing and cultural exchange. The highlight of our visit will be a day-trip to Mount Kurama, the birthplace of Reiki where Dr. Usui meditated for 21 days and received the Reiki healing energy. Kurama has many different frequencies and patterns of high vibration. We will hike up to the top for a meditation, and on the way back down enjoy an outside bath at the local hot spring 'onsen'.

The two 1-day courses will be spread out throughout the week, taking you from complete beginner to Reiki practitioner. We will visit Shunkoin Temple where we will join in a Zen meditation. There is an opportunity to attend a calligraphy class and gain an insight into the world of a Geisha walking through Gion.

This will be an unforgettable physical and spiritual journey for anybody passionate about Reiki!
